PC120 A stylish new dimension for multimedia

- In-ear wearing style for those who prefer the most direct sound
- Wearable left or right to suit personal tastes
- Ideal for inexpensive internet telephony and laptop use

The professional PC 120 headset is an ultra-light, one sided headset ideal for IP-based communications, especially when traveling. Use it for inexpensive telephone-conferences or private calls, dictation or entertainment.

- Self-adjustable, omni-directional microphone for clear communication, more comfort and flexibility
- In-line volume control and microphone mute switch
- Single-sided cable keeps chin and neck free
- Compatible with some mobile phones (see diagram)
